Dear Families,

We are attempting to contact parents of students who will enter Kindergarten this fall. A child who is five years of age on or before August 31, 2017 will be eligible to enroll.

Kindergarten Registration/Orientation will be held Friday, March 17, 2017 at 9:00 a.m. All incoming students/parents are encouraged to attend, as this will be the only time you and your child will be asked to come to school prior to the beginning of the next school year.

If you have a child to enroll for this fall, please complete the bottom of the page and return it to school as soon as possible. If you know someone who has a child that will be attending Kindergarten at New Manchester next year, please forward this information on to them.

Registration packets will be given to families who pre-register prior to Orientation; otherwise, you will complete the packet at Orientation. You will also need to bring an official state certified birth certificate; immunization record; social security card; driver's license (if current physical address is on it) and gas, electric or water bill of current physical address; and custody papers, if applicable. If you are already enrolled in a Hancock County School's Preschool program, we will have that information already on file.

The birth certificates **must** be issued by the State. We **cannot** accept hospital certificates or ones from individual counties. Application forms for Birth Certificates are available in the school office, if needed.

Any Hancock County student entering Kindergarten is required to provide proof of a health examination or physical **and** proof of a dental examination by a licensed dentist. Proper forms will be included in the packet for the physician to complete at any upcoming appointments. All proper immunizations and health examinations are due on the first day of school for the 2017-2018 school year.

Please contact the school office with any question or concerns.

We look forward to seeing you at our Kindergarten Registration/Orientation on March 17, 2017.

Sincerely,

*Cynthia L. Yeater*
