**"SUPERHEROES IN  
TRAINING"**

Parents/Guardians of 3<sup>rd</sup> and 4<sup>th</sup> Grade Students:

Please join us on Tuesday, April 25 from 5:30 p.m. – 7:30 p.m. for an interactive night of "SUPER HERO TRAINING" preparing for our WV General Summative Assessment, the Smarter Balanced Assessment. We consider all of our students to be Super Heroes in their own right and want to honor that with a Super Hero theme for our State Testing this year.

We will be learning what the Smarter Balanced Assessment is all about, how your child has been preparing throughout the year for the assessment, tips to help your child at home for the assessment, and some fun ways to ease you and child's concerns about the assessment. This promises to be a fun filled night full of interactive stations for you and your child to participate in including a mask making station, test taking tips, a super hero photo booth, among other things. We may even have a surprise or two for our participants. You will not want to miss this SUPER amazing night!!!

Please complete the form below and return it to your child's teacher by Friday, April 21.
